§ 145-1 Title and administration.

[Amended 6-9-1998; 5-8-2007]

This chapter shall be known as the "Electrical Code of the Town of Smithtown" and shall be administered under the supervision of the Building Director of the Town of Smithtown.

§ 145-2 Statement of purpose.

Since there is danger to life and property inherent in the use of electrical energy, this electrical chapter is enacted to regulate the installation and alteration of wiring for electric light, heat or power and signal systems operating on 50 volts or more in or on all real property within the Town of Smithtown.

§ 145-3 Adoption of standards by reference.

All electrical installations heretofore mentioned shall be made in conformity with the requirements of the National Electrical Code, except where the provisions of this chapter or any other local law, ordinance or Building Code of the Town of Smithtown shall differently prescribe, in which event compliance with the provisions of such local law, ordinance or Building Code shall be recognized as proper compliance with this chapter. The requirements of the National Electrical Code shall be those known as the "National Fire Protection Association Pamphlet No. 70," as approved and adopted by the American Standards Association.

§ 145-4 Electrical Inspector.

[Amended 6-9-1998]

- A. The duly appointed Inspectors of qualifying organizations may be designated as Electrical Inspectors by Town Board resolution and authorized and deputized as agents of the Town of Smithtown to make inspections and reinspections of all electrical installations, alterations and repairs heretofore and hereafter described and to approve or disapprove the same. In no event, however, will the cost or expense of such inspections and reinspections be a charge against the Town of Smithtown.
- B. All organizations and Inspectors applying for authorization under this chapter must meet or comply with the following requirements:
 - (1) Inspectors shall have a minimum of 10 years' field experience in the maintenance, installation or inspection of electrical systems.
 - (2) Inspectors shall hold and maintain a certification from the International Association of Electrical Inspectors (IAEI) for one- and two-family dwellings and for general electrical.
 - (3) Inspectors shall be familiar with the National Electrical Code and New York State and Town of Smithtown laws, rules and regulations to the extent that they relate to electrical inspections.
 - (4) Inspectors shall shelve active electrician licenses during the period of appointment, if there may be a conflict of interest.
 - (5) The organization shall maintain policies of insurance from an insurance company(ies) duly licensed by the State of New York meeting or exceeding the following minimum coverage requirements and shall provide a certificate of insurance evidencing the same and naming the Town of Smithtown as an additional insured:
 - (a) General liability: \$1,000,000 per occurrence; \$2,000,000 aggregate.
 - (b) Excess liability: \$1,000,000 per occurrence.
 - (c) Workers compensation: statutory requirements.
 - (6) The organization shall file a verified application with the Building Director on the form provided by the Town Clerk.

[Amended 5-8-2007]

§ 145-5 Powers and duties of Inspector.

[Amended 6-9-1998; 5-8-2007]

It shall be the duty of the Inspector to report, in writing, to the Building Director, whose duty it shall be to enforce all provisions of this chapter, all violations of or deviations from or omissions of the electrical provisions of the National Electrical Code, and of all local laws, ordinances and the Building Code as referred to in this chapter insofar as any of the same apply to electrical installations, alterations and repairs. The Inspector shall make inspections and reinspections of electrical installations, alterations and repairs in and on properties in the Town of Smithtown upon the written request of

an authorized official of the Town of Smithtown or as herein provided. The Inspector is authorized to make inspections and reinspections of electrical installations, alterations and repairs in and on properties within the Town of Smithtown where he deems it necessary for the protection of life and property. In the event of an emergency, it is the duty of the Inspector to make electrical inspections upon the oral request of an official or office of the Town of Smithtown. It shall be the duty of the Inspector to furnish written reports to the proper officials of the Town of Smithtown and the owners and/or lessees of property where defective electrical installations, alterations and repairs are found upon inspection. He shall authorize the issuing of a certificate of compliance when electrical installations, alterations and repairs are in conformity with this chapter. He shall direct that the certificate of compliance be sent to the Town of Smithtown to the attention of the Building Director.

§ 145-6 Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

PERSON

Includes an individual, copartnership, society, association, joint-stock company, club, corporation and any combination of individuals within the Town of Smithtown, Suffolk County, New York.

§ 145-7 Prohibited acts.

[Amended 6-9-1998]

It shall be a violation of this chapter for any person to install or cause to be installed or to alter electrical wiring for light, heat or power in or on properties in the Town of Smithtown until a Building Department permit has been issued and an application for inspection has been filed with any authorized organization hereunder. It shall be a violation of this chapter for a person to connect or cause to be connected electrical wiring in issuance of a temporary certificate or a certificate of compliance by any authorized organization hereunder.

§ 145-8 Penalties for offenses.

A. Any person violating any of the provisions of this chapter shall be guilty of an offense punishable by fine or imprisonment, or both; however, for the purpose of confirming jurisdiction upon courts and judicial officers, such violation shall be deemed a misdemeanor, and for such purposes only all provisions of law relating to misdemeanors shall apply to such violations. In lieu of the foregoing, any person violating any provision of this chapter shall be subject to a penalty in a sum not exceeding \$500 for the first violation and in a sum not exceeding \$1,000 for any subsequent violation. Said penalties shall be recovered in a civil action in the name of the Town of Smithtown.

[Amended 7-14-1992; 6-9-1998]

B. The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

§ 145-9 Exceptions.

The provisions of this chapter shall not apply to the electrical installations in mines, ships, railway cars or automotive equipment or the installations or equipment employed by a railway, electrical or communication utility in the exercise of its function as a utility and located outdoors or in buildings used exclusively for that purpose. This chapter shall not apply to any work involved in the manufacture, assembly, test or repair of electrical machinery, apparatus, materials and equipment by a person engaged in electrical manufacturing as his principal business. It shall not apply to any building which is owned or leased in its entirety by the Government of the United States or the State of New York.

§ 145-10 No waiver or assumption of liability.

[Amended 6-9-1998]

This chapter shall not be construed to relieve from or lessen the responsibility of any person owning, operating, controlling or installing electrical wiring, devices, appliances or equipment for loss of life or damage to persons or property caused by any defect therein, nor shall the Town of Smithtown be deemed to have assumed any such liability by reason of any inspection made pursuant to this chapter.

INDEMNIFICATION and HOLD HARMLESS AGREEMENT

This INDEMNITY AGREEMENT (this "Agreement") is made effective as of _____, 20__ by and between **Kings Wood Owners Corp.** (hereinafter referred to as, "K.W.O.C."), a co-op, having a business address of 146-3B Church Street, Kings Park, New York 11754 and _____ (hereinafter referred to as "*contractor*"), having a business address of _____ and _____ (hereinafter referred to as "*shareholder(s)*"), residing at _____, New York.

WHEREAS, _____ (*contractor*) will be performing the following services for _____ (*shareholder(s)*): _____; and _____

WHEREAS, in exchange for valuable consideration, contractor and shareholder(s) desire to indemnify K.W.O.C. from any claims and/or litigation arising out of contractor's performance of the aforementioned work or services.

NOW THEREFORE, in consideration of the mutual covenants and conditions contained herein, K.W.O.C. and contractor and shareholder(s) hereby agree as follows:

TERMS

1. Indemnification:

To the fullest extent permitted by law, contractor and shareholder(s), their successors and/ or assigns, jointly and/or severally shall fully defend, indemnify, and hold harmless K.W.O.C., its officers, directors, shareholders, employees and volunteers from any and all claims, lawsuits, demands, causes of action, liability, loss, damage and/or injury, of any kind whatsoever (including without limitation all claims for monetary loss, property damage, equitable relief, personal injury, loss of services and/or wrongful death), whether brought by an individual or other entity, or imposed by a court of law or by administrative action of any federal, state, or local governmental body or agency, arising out of, in any way whatsoever, any acts, omissions, negligence, or willful misconduct on the part of contractor, its officers, owners, personnel, employees, agents, contractors, invitees, or volunteers, but not as the result of any act or omission of K.W.O.C., its officers, directors, shareholders, employees and volunteers. This indemnification applies to and includes, without limitation, the payment of all penalties, fines, judgments, awards, decrees, attorneys' fees, and related costs or expenses, and any reimbursements to KWOC for all legal fees, expenses, and costs incurred by it.

2. Authority to Enter Agreement:

Each Party warrants that the individuals who have signed this Agreement have the actual legal power, right, and authority to make this Agreement and bind each respective Party.

3. Notification of Claims; Litigation:

The parties agree to notify one another in writing to the addresses above of any notice of any claim or service of any litigation papers concerning the work or services mentioned in this agreement or allegedly arising from any act or omission regarding same within ten (10) business days of receipt of the notice or service of documents.

4. Amendment; Modification:

No supplement, modification, or amendment of this Agreement shall be binding unless executed in writing and signed by all parties.

5. Waiver:

No waiver of any default shall constitute a waiver of any other default or breach, whether of the same or other covenant or condition. No waiver, benefit, privilege, or service voluntarily given or performed by a Party shall give the other Party any contractual right by custom, estoppel, or otherwise.

6. Attorneys' Fees and Costs:

If any legal action or other proceeding is brought in connection with this Agreement, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees and other related costs, in addition to any other relief to which that party is entitled.

7. Entire Agreement:

This Agreement contains the entire agreement between the Parties related to the matters specified herein, and supersedes any prior oral or written statements or agreements between the Parties related to such matters.

8. Enforceability, Severability, and Reformation:

If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited. The intent of the parties herein is to provide as broad an indemnification as possible under New York law.

9. Applicable Law:

This Agreement shall be governed exclusively by the laws of New York, without regard to conflict of law provisions and any action brought regarding this agreement must be brought in a Court of Competent jurisdiction in Suffolk County, New York.

Covid-19 Checklist for Contractors

Job Site Worker Considerations

Here are five key questions and considerations to help you ensure your job site workers are safe.

Do you have general safety policies in place that include COVID-19?	Employees, visitors, and contractors should be asked if they exhibit symptoms of COVID-19. Workers should refrain from sharing tools and equipment and have access to handwashing stations and alcohol-based hand sanitizers.	Yes / No
Do you have COVID-19 training practices in place?	In addition to updating your training practices for COVID-19, you should have an employee wellness tracker that captures the health of job site workers each day.	Yes / No
Do you have personal protective equipment at your job sites?	In addition to hard hats, it's important to provide masks, gloves, and eye protection.	Yes / No
If you work with subcontractors, do you require them to supplement your policies and procedures?	Subcontractors on your job sites should be providing their personnel with COVID-19 safety procedures.	Yes / No

QUESTION

KEY CONSIDERATION

CIRCLE ONE

Are your worksite, trailers, and break areas cleaned multiple times per day?

You should be using commercial disinfectants and hand sanitizers with 60% or more alcohol.

Yes/No

QUESTION
